Ravens Roost 82

WHOLESALE CRAB CAKES

Just for the Funds of it!

Now you can buy delicious, gourmet, 1/4 pound, Jumbo Lump Crab Cakes at **Wholesale** prices and at the same time raise money for **Ravens Roost 82**. Every time you order or **re-order**, an automatic donation will be made in your name.

'Jumbo Lump' Crab Cakes are not merely 'lump' or 'backfin' crab cakes. Jumbo Lump Crab Cakes are the very best premium crab cakes available. Capt. Carl's Crab Cakes are made in Maryland by *A Cut Above* (www.acutabovedelivery.com). The normal retail price is \$100 per dozen.

Capt. Carl's Crab Cakes are made with all Jumbo Lump crabmeat. A minimum amount of binder/filler is added - just enough to hold them together. They come to you **freshly frozen** so they will be conveniently available in your freezer whenever you wish to indulge. The fundraiser is on-going and will continue indefinitely, which means that every time your family enjoys these great Crab Cakes, you will be helping **Ravens Roost 82**. You might also consider gathering Crab Cake orders from friends and family in order to increase the benefits from this fundraiser. Deliveries typically will be made at the monthly membership meeting.
